

## ***Spare parts and other things we carry for our Ford Truck and Lance Cabin***

- 2 spare tyres and 1 spare wheel
- Tyre repair set and small compressor, which can be plugged into the 12 V socket and gives emergency air for a punctured tyre
- 3 oil filters, 2 diesel filters and 1 cleaning set for our life-time air filter
- Oil and break fluid
- Tools
- Spare bulbs and fuses for the truck and the cabin (LED bulbs)
- Diesel canister
- Lockable tank lids (so nobody can steal diesel in a hurry)
- Camshaft Position Sensor
- Spare break pads
- Push on water tap connector (for when there are no screw taps) for the water hose
- Light bulb adapter (to take electricity from a light bulb, when there is no socket)
- 12 V converter with multiple sockets (to recharge appliances during driving)
- Spare 20 L water canister
